

UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW HAMPSHIRE

John A. Baldi

v.

Case No. 04-CV-466-PB

John T. Broderick, Jr., et al.

ORDER

On September 21, 2005, I directed John Baldi to show cause "as to why he should not be permanently enjoined from filing further complaints based on the transactions that form the basis for the current action." Memorandum and Order dated September 21, 2005 at 17-18. Baldi responded on October 15, 2005 with a memorandum arguing that my order granting defendants' motion to dismiss the pending complaint was incorrectly decided. Baldi's response does nothing to allay my concerns that Baldi will continue to file frivolous lawsuits concerning the same subjects that form the basis for the current complaint unless an injunction is entered against him.

Accordingly, I hereby enter the following Order:

John A. Baldi is hereby ordered not to file any further actions in this court that concern or are related to the 1999 assault, the 2000 road improvement project, or the 2003 libel action, all as described more fully in

my Memorandum and Order of September 21, 2005. All future complaints submitted by Baldi for filing in this court must be accompanied by a motion for leave to file which shall clearly and concisely explain why the proposed action is not subject to this Order. The clerk is directed to present all new filings by Baldi to the undersigned judge. Any filing that is not accompanied by a motion for leave to file will be rejected. If leave to file is granted, the case will be randomly assigned in the usual course.

SO ORDERED.
